A- = 3.70

B+ = 3.30

B = 3.00

B- = 2.70

C+ = 2.30

C = 2.00

W = Withdrawal

AW = Administrative Withdrawal

Indicates that a student stopped attending a class but did not officially withdraw. An AW had zero grade point value and was computed into the Cumulative Grade Point Average (CGPA), thereby affecting the student's grade point average negatively. If a student repeated an AW course, the new passing grade was recorded, but the AW zero grade point value remained in the student's CGPA.

RW = Retroactive Withdrawal

Indicates that a student who had excessive absences due to mitigating circumstances, such as medical, officially withdrew from the course after the end of the quarter by submitting a written petition with supporting documentation to the Dean of the College. The RW grade was not computed into the grade point average.

RC = Registration Cancelled/Failure

Issued by the Registrar when a student failed to pay or complete payment of tuition. An RC had zero grade point value and was computed into the Cumulative Grade Point Average (CGPA), thereby affecting the student's grade point average negatively.

INC = Incomplete

Indicates a student petitioned for extra time to complete coursework within a specified amount of time.
