TRANSFER CREDIT EVALUATION

All requests for transfer of credit are rigorously evaluated in a tiered evaluation process. The transfer credit evaluation process is generally completed in 10-15 business days and no longer than 60 days.

Tiered Transfer Credit Evaluation Process

Step 1) The Admissions team delivers the student's complete, organized admissions folder to the Registrar. The complete folder must contain official transcripts from all colleges and universities previously attended to the Registrar and must indicate the student's enrolled program and declared emphasis. If syllabi and/or course descriptions for course(s) to be transferred have been submitted during the admissions process, they must also be included in the student's folder.

Step 2) The Registrar adds the *Transfer Credit Evaluation Form* for the student's enrolled program and declared emphasis (if applicable) and the General Education program to the folder and delivers the folder to the Dean of Academic Affairs.

Step 3) The Dean of Academic Affairs assigns the appropriate credentialed academic evaluator for the student's enrolled program and declared emphasis (if applicable) to evaluate proposed transfer courses according to program and emphasis course requirements. A credentialed academic evaluator is defined as a department chair or full-time faculty possessing a master's degree or higher in the area of study being evaluated. Full-time faculty or department chairs with documented alternative credentials are deemed qualified to review transcripts in the programmatic area of their expertise. All general education courses are evaluated by the General Education department chair or full-time General Education faculty possessing a master's degree or higher in the area of study being evaluated. All credentialed academic evaluators will receive federal compliance training and internal policy and procedure training on how to complete transcript evaluations. Some transcript evaluations may need to be performed by two credentialed academic evaluators, depending on the area of expertise.

Step 4) The credentialed academic evaluator conducts a thorough evaluation and review of the courses to be transferred to determine transferability to the student's degree program and emphasis (if applicable) and/or general education requirements. To determine if curricula and learning outcomes for a transferred course are commensurate with those of a corresponding Columbia College Hollywood course, credentialed academic evaluators may request additional documentation from the student, including but not limited to official course syllabi, course catalogs, course descriptions, and course learning outcomes. When the transfer course evaluation is completed, the credentialed academic evaluator adds the completed *Transfer Credit Evaluation Form* to the student's file and delivers the file to the Registrar.

Step 5) The Registrar conducts a secondary evaluation to ensure institution and course eligibility based on criteria set forth in the Transfer Credit Policy. The Registrar refers all questions regarding the academic evaluation to the Dean of Academic Affairs.

COLUMBIA COLLEGE HOLLYWOOD

Step 6) The Dean of Academic Affairs makes the final determination to accept or deny transfer of credit. If deemed necessary, the Dean of Academic Affairs will assign an additional credentialed academic evaluator to conduct a secondary transfer credit evaluation.

Step 7) If approved, the Registrar enters the approved transferable credits into the student's academic record with a Transfer Credit grade of TR, scans the student's official transcripts and completed transfer credit evaluation forms into the student's file in the Student Information System, and returns the hard copy forms and transcripts to the physical file.

Step 8) At the completion of the evaluation, the Registrar will notify the student of the results within 2-5 business days.

Non-Traditional Sources of Transfer Credit

Transfer credits earned through non-traditional academic sources, including but not limited to independent study, workshops, academic field experiences, or internships, may be considered for credit if documented on an official transcript from a regionally accredited institution. The college does not evaluate or accept credits based on professional or work experience.

TRANSFER CREDIT AND SAP

All students are required to maintain minimum standards of Satisfactory Academic Progress (SAP). The college evaluates all students for Satisfactory Academic Progress (SAP) by three standards: Cumulative Grade Point Average (CGPA), Incremental Completion Rate (ICR), and Maximum Time Frame (MTF). For SAP purposes, the transferred course grade of TR has no grade point value and does not affect the student's CGPA. The transferred course does, however, earn 4 quarter credit hours toward the total credit hours required for the student's degree program. Therefore, when the student's ICR is calculated, the transferred credits are considered both attempted and earned. See the *Satisfactory Academic Progress* section of this catalog for more information.

TRANSFER CREDIT LIMITS

A student's transfer credits may not exceed 75% of the total credits required for a Columbia College Hollywood degree program. A student enrolled in an on-ground degree program may transfer online course credits totaling no more than 49% of the program's required credits.
